KEYCHAIN STATION

Our Keychain Station, including luxury photo keychains, the bar, and additional on-site support, is available from \$500/hour.

Snap it. Clip it. Carry it. These little cuties are big on charm, and perfect for modern weddings, brand activations, and anyone who loves a take-home moment that actually goes home.

Approximately 40–60 keychains per hour.

HOW DOES IT WORK?

STEP 1

Guests take photos at the booth and choose their favorite image for their custom keychain on a faux leather strap

STEP 2

Our team hand-presses each keychain on the spot. They're crafted with care and just the right amount of flair.

STEP 3

A one-of-a-kind favour in hand, your guests are officially obsessed (and never lose their keys again!)
